

Chemetal / Treefrog / InteriorArts Spec Registration

Designed to help you gain sales from specifications.

The Chemetal / Treefrog / InteriorArts Spec Registration Program is for all Chemetal, Treefrog and InteriorArts distributors, it doesn't apply to direct accounts or sales reps.

Overview

The spec registration must be for a minimum of 100 full sheets of the same item.

Once the Chemetal / Treefrog / InteriorArts Spec Registration Form, on next page, is completed, we will provide the following to the distributor first registering the spec:

*The lowest price. Other distributors inquiring about the same specification will be given our standard 99 sheet pricing.

*The specification may be drop-shipped into any territory in the US.

*The spec registration will remain active for 60 days. The distributor may re-register the specification between 45 and 60 days from the original registration. The original registration will be void if a specification is not re-registered between 45 and 60 days of the original registration.

*Spec registration is on a first come, first serve basis.

**Please contact your sales or
customer service rep with questions.
